New Hope Baptist Church To Hold Revival, Aug. 6-11

Dale and Gilda Riddle, music evangelists from Greensboro, North Carolina, will lead the Revival Services at New Hope Baptist Church in Appomattox, August 6-11. The Riddles are graduates of Bluefield College, Samford University, and Southwestern Baptist Theological Seminary in Fort Worth, Texas. While in Seminary, Dale pastored a rural church for four years. Upon graduation from Seminary in 1977, the Riddles felt led of God into full-time evangelism. They moved back to North Carolina, and since then have been preaching revivals, giving musical concerts, leading camp retreats, and whatever else God has led them to do. Their 5-year-old daughter, Tamson, sometimes sings with her parents. They also have a one-year-old son, Morgan.

The Riddles have recorded two LP record albums, "The Way That He Loves" and "To the Glory of God," which will be available during the week.

You are cordially invited to hear the Riddles sing at each service and hear Dale preach some good old-fashioned Gospel sermons. The revival services begin on Sunday morning, August 6, at 11:00 a.m. and will be held each night at 7:30 p.m. through Friday night, August 11. A nursery will be provided for children through three years of age at each service. Rev. Clarence H. Davis is the pastor of New Hope Baptist Church located 6 miles east of Appomattox on Highway 24 at Vera.

MRS. ANNIE EVANS WARRINER

Celebrates 92nd Birthday

Mrs. Annie Evans Warriner of the Evergreen Community celebrated her 92nd birthday on Tuesday, July 25th at her home.

Friends and relatives called during the day and evening with gifts and good wishes. Mrs. Warriner and her late husband, Eddie Warriner, were the parents of five children, two of whom are deceased.

Mrs. Warriner, "slim as a whistle" and looking remarkably young for her 92 years, said, "I am feeling quite a bit stronger and have enjoyed my company so much. I just love having people drop by for a chat."

We wish you many more Happy Birthdays, Mrs. Warriner.

Participants in the Dance-A-Thon have raised over $650.00 for the American Society. The dance was sponsored by the 7th and 8th Grade 4-H Clubs at AMS.

Elon Baptist Church Sponsors Teen Contest

Saturday, August 5 marks the opening of a TEEN CENTER at the Pamplin Fire Station. Activities will begin at 8 p.m. until 11 p.m. each Saturday evening.

The center is sponsored by the Elon Baptist Church in Pamplin City. The people at Elon are committed to providing creative opportunities for young people to grow and enjoy themselves. The Teen Center is aimed at offering community youth a place to gather and enjoy various activities.

Different activities are planned for each night the center is open. The center will feature games, skits, entertainers, movies and refreshments. The last Saturday night in August is designated as a "BACK TO SCHOOL BASH!" This final night will feature a dance and refreshments to "celebrate" the end of summer and the return to the academic halls of learning!

There is no admission charge to the center. Adults from Elon Baptist Church have volunteered to supervise the center's activities, as well as provide the refreshments.

Teens from all nearby churches and surrounding communities are invited to come and join in the fun.

Commission On Aging Begins Project "G" Day

In an effort to continuously educate our senior population about existing services as well as future programs that the Central Virginia Commission on Aging provides, a new project will be implemented.

This new project will be referred to as "G" Day. The "G" applies to any gripes or grievances that our 60+ population are having with existing senior services in our Planning District.

A panel of staff members from the Central Virginia Commission on Aging Office will be available August 15, 1978 at the Appomattox Dining Center on Church Street in Appomattox at 11 a.m. to discuss the various senior programs offered in our service area.

Members of the panel will include representatives from the Nutrition Program, Transportation, Senior Discount Program, Counseling, Senior Employment, Winterization, and Emergency Residential Repair.

Each panelist will be given no more than 5 minutes to highlight his/her program, then questions will be addressed at the conclusion of the panel discussion. The panel will divide into small groups when needed to answer questions.
